The parties' report shall, in addition to addressing the matters specified in Rule 26(f), set forth their views regarding: (1) an appropriate last date for the completion of discovery and the hearing of motions, a date for a final pretrial conference and a trial date; (2) whether discovery should be conducted in phases or otherwise ordered or limited; (3) a preliminary estimate of the time required for trial; (4) efforts made to settle or resolve the case to date, and the parties' views as to an appropriate plan for maximizing settlement prospects; (5) whether the case is complex or requires a reference to the procedures set forth in the Manual on Complex Litigation; (6) the likelihood of the appearance of additional parties; (7) what motions the parties are likely to make that may be dispositive or partially dispositive; (8) any unusual legal issues presented by the case; and (9) proposals regarding severance, bifurcation or other ordering of proof.

In order to assist the parties in the setting of dates for the Scheduling Conference, the Court has included a schedule form for pretrial dates. The schedule should be completed by counsel and submitted in conjunction with their Rule 26(f) report.

If this case is part of the ADR program, counsel of record must confer and jointly complete the ADR Pilot Program Questionnaire, which was provided to plaintiff's counsel at the time of filing. Counsel is directed to file the Questionnaire concurrently with the Joint Rule 26(f) Report.

Plaintiff's counsel is directed to give notice of the Scheduling Conference to all parties that have appeared in this action, and is directed to give notice of the Scheduling Conference immediately to each party that makes an initial appearance in the action after this date.
